

The impacts of a suicide go far beyond a lost life.

September is Suicide Prevention Month. The Lake County ADAMHS Board and our Lake County Suicide Prevention Coalition invite you to help us mark this important initiative at a brief ceremony at the gazebo on the Square in downtown Painesville.

We're working very hard to get people connected with the help they need before it's too late. Can we count on your support?

Tuesday, September 4 • 11:30 a.m.
Painesville Square Gazebo

YOU.ME.US. We're in this together. There is no them.
